Catawba Valley Cattlemen's Association Announces Scholarship Program

The Catawba Valley Cattlemen's Association is pleased to announce the availability of college scholarships to deserving young people in our area that choose to pursue a career in agriculture. The association hopes to award as many as two scholarships for up to \$1,000.00 each, depending on the availability of funds. This will mark the third year for this scholarship program.

Applications are available by contacting the Catawba County Center of NC Cooperative Extension at (828) 465-8240. Deadline for submitting applications is April 1, 2011.

The selection committee will interview deserving applicants after all applications have been reviewed. Priority will be given to graduating high school seniors and will be accepted from residents of Alexander, Burke, Caldwell, Catawba, Cleveland, Gaston and Lincoln Counties.
